**AMENDMENT**

Dear Mr. Tuan N. Nguyen:

In response to your Office action of May 2, 2007, please amend the above mentioned application as follows:

**Amendment to the Specifications** begins on page 3 of this paper.

As I was advised, prior amendment papers filed on 2/27/2007, 7/14/06 and 4/20/06 were not compliant with PTO-s current amendment practice, therefore they were not entered.

These earlier amendments contained only minor changes, the requested amendment contained in this paper is based on original disclosure filed on 3/19/2004.

**Description of Prior Art**

Prior Art listings were missing "U.S. Patent" notations before patent numbers. Enclosed is the corrected amendment for your examination to be entered on page 3 and 4. Prior arts listed by applicant and by the Examiner as best understood is free of prior art of record.

**Claims** – Claim 1 is being replaced by claim 4 with four dependent claims.

Claims 2 and 3 were cancelled as it was acknowledged in the Office action.

New, replaced Claim page is enclosed on page 10 and 11.

Application Number : 10/804,599  
Amendment dated July 19 2007  
Reply to Office action of May 2 2007

**Amendments to the drawings** – Begins on page 8 of this paper and includes both an attached replacement sheet and an annotated sheet showing the changes. Arrow to item 30 was moved, no other changes were made.

**Brief description of drawings** line 3 of page 6 adjustable valves ABC notation added as (13A, 13B, 13C) and on line 4 check valves (5A and 5B).

**Election /Restrictions** – the elected invention is the toilet odor blocking system as claimed in Claim 4 which replaces claim 1 with dependent claims.

All other claims are canceled or withdrawn.

In Figure 2 of the drawing pages item 43 T adapter with bullcock male and female threading is no longer claimed as an independent claim or the bidet function.

**Specification, Abstract of the disclosure** is being replaced, please enter the new text as provided in the attachment on page 9 on a separate page .

**Brief summery of the invention** - no changes.

Amendment contains no new matter.
